Author and screenwriter Juan Diaz Canales will give a master class on scriptwriting at the 2022 edition of the “Québec BD Festival.”

Taking advantage of his first visit to Quebec City and on the occasion of the 35th *Festival Québec BD*, Juan Diaz Canales offers emerging authors and those interested in the backstage of comics a master class.

In this meeting at the House of Literature, discover how he approached the creation of works such as the popular *Blacksad* series (Dargaud), *The new adventures of Corto Maltese* (Casterman) or *Au fil de l'eau* (Rue de Sevres,) and deepen your knowledge of one of the most important facets of the 9th art, the art of storytelling.
