

DeHavilland at the 2016 Toronto Comic Arts Festival

Join us at the Toronto Comic Arts Festival to find out all that DeHavilland has to offer.

The Toronto Comic Arts Festival is a week long celebration of comics and graphic novels and their creators, which culminates in a two-day exhibition and vendor fair featuring hundreds of comics creators from around the world. Other Festival events include readings, interviews, panels, workshops, gallery shows, art installations, and much more. Since 2009, TCAF has been held at Toronto Reference Library in Toronto, Canada, and presented by Toronto Public Library.

The Toronto Comic Arts Festival 2016 will take place Saturday, May 14th, from 9 am to 5 pm, and Sunday May 15th, from 11 am to 5 pm, at the Toronto Reference Library, 789 Yonge Street. This year, SPAIN arts & culture is proud to announce [the participation of DeHavilland](#).

[DeHavilland Ediciones](#) is a small publishing house from Barcelona that started in 2012 with *Clift*, a quarterly zine that brought together 20 different writers, illustrators and photographers in every issue, followed by *Heredera*, a collection of poster-zines entirely devoted to a woman painter and a brand new imprint dedicated to comic stories, called *La mansión en llamas*, which has presented 10 books since it started in 2014.
